This form should be completed and returned with payment by the deadline noted above. If payment is not received with this form, then the 'Paid on Floor' rate will be applied and payment will be requested before the show start. If payment is not received at this point, you may not receive electrical services. IF YOU DO NOT REQUEST POWER BEFORE THE ORDER DEADLINE DATE NOTED ABOVE, WE MAY NOT BE ABLE TO PROVIDE YOU WITH SERVICE, THEREFORE WE STRONGLY URGE YOU TO ORDER AND PAY PRIOR TO THE DEADLINE DATE. IF WE ARE ABLE TO ACCOMODATE A REQUEST PAST THE DEADLINE DATE, YOU WILL BE CHARGED THE 'REQUESTED AFTER DEADLINE' RATE.																
	PLE	ASE FILL OUT EACH SE	CTION													
		NT CONDITIONS AND REC														
<ol> <li>Wall, column, and permanent building utility outlets are not a part of booth space and are not to be used by exhibitors unless specified otherwise.</li> <li>All equipment regardless of source of power must comply with all federal, state and local safety codes.</li> </ol>																
<ol> <li>All equipment regardless of source of power must comply with all rederal, state and local safety codes.</li> <li>Use of open clip sockets, latex or lamp cord wire, duplex or triplex attachments plugs in exhibits prohibited.</li> </ol>																
4. Claims will not be considered unless filed by exhibitor prior to close of exposition.																
5. Prices base upon currents wage rates and are subject to change without notice.																
6. Under no circumstances shall anyone other than "house electrician" make electrical connections.																
7. Special equipment requiring company engineers or technicians for assembly, servicing, preparatory work and operation may be executed without "house electrician", however, all service connections and overload protection to such equipment must be made by "house electricians" only.																
8. All equipment must be properly tagged and wired with complete information as to type of current, voltage, phase, cycle, horsepower, etc.																
9. All material and equipment furnished by Convention Center for this service order shall remain the Convention Center's property and shall be removed ONLY by the																
Convention Center at the close of the show.																
<ol> <li>Electrical power for lights and displays will be turned on one hour prior to show opening time and off at show closing time daily.</li> <li>Unless otherwise directed, Convention Center electricians are authorized to cut floor coverings to permit installation of service.</li> </ol>																
12. All exhibitor's cords must be of the 3 wire grounded to					e energized, shall											
be grounded.	,	, 3		,	3 ,											
13. Rates quoted for all connections cover only the bring	ing of servi	ce to the booth in the most c	onvenient manner and do no	t include connecting	equipment or											
special wiring.
